The trails from both sources, converging on May 11, 2012, are shrouded in secrecy and are against the law in way too numerous to mention.

Can we expose bk467p191? Where did the money go?

I poster this website on March 30 or March 31, 2012.

The purpose of this web site is to try to get the attention of a just power with a background in accounting, who would do whatever it takes to expose the accounting trails of the CPA Joanne Barnes and the attorney Edward White (hereafter referred to as "the accountants") at Book 467 page 191 (pdf) in the public record, and find out where the money (pdf) went.

Does anyone know anyone in the Washington, DC area, such as a journalist with a background in accounting, who would do this? They would get a story. If a journalist published the patterns that he or she would find in exposing bk467p191, the public, and especially the accountant's other clients, could compare those patterns with what they might have experienced, and the more people who recognize the patterns and come forward, the better the chances of recognition.

I don't understand why exposure has been impossible within the established structure; if it had been possible, this web site, unusual because of the unusual circumstances, would not be necessary. I don't understand why the 1994 (pdf) and 2000 (pdf) "Exceptions to the Commissioner's Report" disappeared from the records. What is it that makes the accountants not have to be accountable?

The minimum requirements needed to understand the accountants patterns and this web site are (1) a basic understanding of accounting principals; such as recognizing that judgments have to be based 100% on exposing the accounting trails and 0% on power or anything else, (2) recognizing the significance of the known accounting entanglement trail $1,475.97 - 816.00 = 659.97$ (pdf), (3) recognizing how the 545,820.00 (pdf) disappeared, and (4) lots of time. I do not believe the accountant's patterns will be believed, much less that they could gotten away with, unless the reader learns to recognize and connect the dots themselves. The learning curves and the acceptance curves are long, difficult, and frustrating to infuriating. If Bk467p191 can't be exposed in this twentieth year of trying, I believe it's fair to say that it can't be done, and the documents in this web site would have to be used to show the accountant's patterns.

The sale of our remaining family property, <http://www.alexandriavirginia15acres.com>, has been on hold for nineteen years because the accountants have taken covert control of it through their accounting entanglements and other tools. History suggests that they will use these controls to overtly takeover the property when the family and the property are vulnerable; such as after a sales contract is signed and before settlement. I don't understand why the 1992 deed (pdf) for this property, prepared by the law firm of MWB&B, is not recognized, or why there are conflicting documents of the last transfer of ownership in the records (pdf), or why whatever that was fixed (pdf) in the records in 1985-1986 is still unknown.

History suggests that these conflicts in the records, known and unknown, will be used to create conflict in the family and our family cannot withstand another onslaught by the accountants using a trusting, fear driven, innocent family member to carry out their covert instructions.

Our family is innocent and needs protection and the only remedy is in making Bk467p191 transparent. Opaque is fatal.

After I posted this web site on March 31, 2012, I was sent a lien for \$27,669.42, a Summons to be replaced as Trustee, an Injunction, a Notice to appear in Court, and an Order to appear in Court. The accounting trails at bk467p191 in the public record remain concealed as of March 2, 2013. Someone, such as a journalist, should tell the public, especially the accountant's present and past clients, how the accountants work. I wish someone had told our family. A simpler version of <http://www.canweconnectthedots.com> is <http://www.judgesfairfaxcounty.com>

Timeline

The more I try to expose the accounting trails of the CPA Joanne White and the Attorney Edward White, the more I'm shut out, and I've tried for twenty years.

After I posted my website <http://www.canweconnectthedots.com> on March 31, 2012, to try to expose their accounting trails at bk467p191, my power of attorney for selling the Trust property was revoked, I was sent a Summons, an Injunction, a Notice to appear in Court, and an Order to appear in Court.

If there is any doubt that the accountant's signature pattern is to use a trusting family member as cover, vetting these events should remove it.

Perhaps it's all a coincidence, but the following happened to me after I tried to expose bk467p191 by posting my website <http://www.canweconnectthedots.com> on March 31, 2012:

Summary

.
The more I try to expose the accounting trails of the CPA Joanne White and the Attorney Edward White, the more I'm shut out, and I've tried for twenty-three (23) years.

I try to expose their accounting at bk467p191 in the Fairfax County Court records by posting my website <http://www.canweconnectthedots.com> on March 31, 2012. Nothing in the previous twenty (20) years has worked. In May of 2012 I am illegally hit with financial ruin. The accounting at bk467p191 remains concealed.

.
Can we expose the connection between the VA in Arizona and the Fairfax County Court in Virginia? There are two approaches; (1) Expose the trails and then judge, or (2) Judge without exposing the trails. Please try to stay with (1).

.
The title "Take 2" refers to the illegal take over of my two properties; my farm in Highland County, Virginia, and the Trust property in Fairfax County, Virginia, that I owned in fee simple as Trustee. The Trust property was my livelihood and my life saving. Can we expose the connection between the Phoenix VA in Arizona and the Fairfax County Court in Virginia?

Veteran's comments

I don't understand why a document received on February 7 would not be mentioned until May 10. Or why it remains unknown. It must be important because it is referenced in four letters:

(1) "We have received your typed statement on **February 7**, 2012, stating that you wish to withdraw your claim for *Skin cancer"
Jeffrey McAdams, May 10, 2012

(2) "VA withdrew your request for compensation of skin cancer, based on a typed statement that they received on **February 7**, 2012."
Brian O'Neil, May 14, 2012

(3) "Statement submitted on **February 7**, 2012 that you would like to withdraw claim for skin cancer."

(4) "*VA Form 21-4138, Statement in Support of claim, received **February 7**, 2012"

Re: Accotink Station Property

Dear Mr. O'Connell:

This firm has been retained by your sister Jean O'Connell Nader to represent her with regard to your family's approximately 15 acre property in Springfield, Virginia identified on the Fairfax County Tax Map as TM 90-4 ((1)) 17. As you know, that property is in a Land Trust of which you are Trustee and Jean is a beneficiary.

The Trust was established in 1992, the year following your mother's death. In addition to Jean, its beneficiaries are yourself, your sister Sheila, and a Residuary Trust established by the Will of your father, its current beneficiaries also being Jean, Sheila, and yourself. We understand from Jean, and the correspondence at the time clearly confirms, that the family's intent in establishing the Land Trust was to facilitate the sale of the property. To this end the beneficiaries of the Land Trust also gave you a Power of Attorney with regard to the property. Your appointment as Trustee and Attorney in Fact in 1992 made sense since you were the only one of your siblings living in Virginia at that time.

To Jean's knowledge, during the almost twenty (20) years since you were appointed Trustee, you have entered into no contract for the sale of the property. There were negotiations with Bill Lynch, a family friend, and Andy Sommerville in 2007, but they came to naught. You apparently did not list the property with a real estate broker when you left Virginia some years ago, and we find no indication that the property is now being marketed.

Anthony M. O'Connell
May 25, 2012
Page 2

Real estate taxes have not been paid on the property since 2009, and Fairfax County has turned the matter over to a collection agency. As of last month, the total amount due, including interest and penalties, was \$27,650.14. This figure will of course increase every day that the delinquent taxes are not paid. Eventually Fairfax County could recover the taxes by selling the property to enforce its tax lien. As you recall in the past Jean sent you checks for her portion of the real estate taxes, but you refused to accept them since they were made payable to Fairfax County rather than to you.

The Land Trust Agreement provides for the expiration of the Trust twenty (20) years after its establishment if all or any portion of the property remains in the Trust at that time. Because the Trust was established on October 16, 1992, the date of its expiration is fast approaching. The interests of you and your sisters would clearly best be protected if the three of you agreed to and put in effect a plan to sell the property and to pay the overdue real estate taxes. Such a plan would necessitate an amendment to the Land Trust Agreement or, better yet, an alternative means of holding legal title to the property.

Since you now live in Arizona and are evidently not willing or able to perform your fiduciary duties as Trustee, Jean has volunteered to serve as Trustee under an amended or alternative trust arrangement. Living in Pennsylvania, she is geographically the closest of the beneficiaries to the property, and this firm, which is located in Fairfax City, could assist her in carrying out her duties as Trustee to manage and, most importantly, to sell the property. Jean has been in touch with Sheila about this matter.

As counsel for Jean, we advise you that, effective immediately, she is revoking the 1992 Power of Attorney. A document to that effect will be recorded among the land records of Fairfax County, and we will send you a copy of the recorded document.

Jean has requested that you deal with this law firm rather than directly with her in moving forward with this matter. Accordingly, we ask that you contact us at your very earliest convenience. Given the approaching October 16, 2012 deadline for expiration of the Trust and the real estate tax situation, it is imperative that action on the property not be further delayed. If we have not heard from you by the end of June, Jean will have to consider all alternatives open to her, including a suit in the Circuit Court of Fairfax County.

As counsel to Jean we look forward to working with you and Sheila in naming Jean as Trustee and coming up with a plan for selling the property on terms that will benefit all of you.

Dear Mr. O'Connell:

We made a decision on your claim received January 20, 2012.

This letter tells you about your entitlement amount, payment start date, what we decided, and how we calculated your benefits. It also tells you of your responsibilities as a veteran in receipt of disability pension, what to do if you disagree with our decision, and who to contact if you have questions or need assistance.

Your Award Amount and Payment Start Date

Your monthly entitlement amount is shown below:

Monthly Entitlement Amount	Payment Start Date	Reason For Change
\$482.00	Feb 1, 2012	Original Award

We are paying you as a single veteran with no dependents.

You Can Expect Payment

Your payment begins the first day of the month following your effective date. You will receive a payment covering the initial amount due under this award, minus any withholdings, in approximately 15 days. Payment will then be made at the beginning of each month for the prior month. For example, benefits due for May are paid on or about June 1.

What We Decided

We granted disability pension benefits effective January 20, 2012.

C 25 163 990
Oconnell, Anthony M

We enclosed a VA Form 21-8768, "Disability Pension Award Attachment" which explains important factors concerning your benefits.

How Did We Make Our Decision?

We granted pension benefits because you are:

- Age 65 or older, *or*
- A patient in a nursing home, *or*
- In receipt of disability Social Security benefits.

Evidence Used to Decide Your Claim

In making our decision, in addition to the evidence in the attached rating, we used the following evidence:

- VA Form 21-526, Application for Compensation and/or Pension received January 20, 2012
- VA Form 21-4138, Statement in Support of claim, received February 7, 2012
- Information data match with Social Security Administration (SSA)

What Income And Expenses Did We Use?

We used your total family income as shown below to award your pension benefit from February 1, 2012.

Income We Counted

	Annual Earnings	Annual Social Security	Annual Retirement	Annual Other Sources
Yourself	\$0	\$6,468.00	\$0.00	\$0

On your application, you reported you receive \$523.00 per month in Social Security. A data exchange with the Social Security Administration showed that you received a gross monthly amount of \$839.00 effective December 2011. Therefore, we used that amount to calculate you income for VA purposes effective December 1, 2011. If this is incorrect, please send us a copy of your most recent Social Security benefit statement.

C 25 163 990
Oconnell, Anthony M

How Can You Claim Family Medical Expenses?

To claim family medical expenses, complete the enclosed VA Form 21-8416, "Medical Expense Report," and return it to this office *no later than* December 31, 2014. We may consider family medical expenses you paid after January 20, 2012. A few examples are listed below. More examples are shown on the enclosed Medical Expense Report form.

- Medicare/Health Insurance Premiums
- Prescriptions
- Medical/Dental expenses

Don't include unpaid medical bills, any paid bill that will be reimbursed, or bills that aren't for health expenses.

What Are Your Responsibilities?

You are responsible to tell us right away if:

- your income or the income of your dependents changes (e.g., earnings, Social Security benefits, lottery and gambling winnings)
- your net worth increases (e.g., bank accounts, investments, real estate)
- your continuing medical expenses are reduced
- you gain or lose a dependent
- your address or phone number changes

How Do You Start Direct Deposit?

- Your money may be deposited directly into your checking or savings account. This is the safest and most reliable way to get your money. For more information about Direct Deposit, please call us toll free by dialing 1-877-838-2778.
- The Treasury Department has mandated (31 CFR Part 208) that all Federal benefits be released via electronic funds transfer or Direct Express® Debit MasterCard® issued by Comerica Bank.
- You did not provide us with your banking information to allow your federal benefits to be sent directly to your bank. Although you will receive your initial VA benefit in the form of a paper check, this will only occur for an interim period. You need to contact the Treasury

Dear Mr. O'Connell,

On a daily basis you continue to send these emails. As you know, we have repeatedly answered your inquiries numerous times. One such response from our collection attorney, John Rife, dated August 23, 2012 is attached for reference. Since that time this matter has come under the jurisdiction of the Fairfax County Circuit Court (see attached order dated October 5, 2012) and all delinquent real estate taxes on the 15 acres located in Fairfax County at tax map # 090-4-01-0017 have since then been paid.

[Ask Highland County](#)

Accordingly, and with all due respect, at this point we are treating your continuing emails as spam and no further response will be forthcoming.

Sincerely,

Please tell me what property this \$27,699 lien is against. Please see the attachment "where4p".

This lien is for back taxes for a Trust property in Fairfax County (parcel 0904 01 0017) but it was sent to Highland County and then it's trail disappeared.

Thank you.

The signature cover of the CPA Joann L. Barnes (SSN 579-44-3240 and EIN 5410401148), the Attorney Edward White, and their collaborators, is to tear the family apart using a trusting family member to unwitting carry out their covert agenda so the source of the resultant confusion and conflict appears to come from the family.

This arrangement starts by attacking and supplanting the family's established fiduciaries and attorney's. A trusting family member with no background in accounting is installed as a co-fiduciary so that they can be used as unwitting cover. See <http://www.canweconnectthedots.com/shutouts/install.html>

If this seems too improbable or confusing, please fall back to basic common sense - remove the secrecy and find out where the money went. Try to expose the accounting trails at bk467p191 and see what happens. Try to get the CPA Joann L. Barnes (SSN 579-44-3240 and EIN 5410401148), the Attorney Edward White, or their collaborators, to take an accountable position on something. Try to find the CPA or the Attorney.

Why is it that in 22 years not one authority has tried to expose the accounting at bk467p191 or tried to stop the accountants from using Jean Nader as cover?

Our family is not the problem. Please don't buy that our family is the problem.
